Form filled by:

Customers are responsible for reviewing and validating all sample selections listed in this form. This document will be considered the official request for sample processing. Please note that once submitted, selections cannot be modified or canceled.

Discontinued Finishes: Finishes that are no longer listed in this updated form have been recently discontinued. They will remain available **at no additional cost through December 2027**, subject to availability.

For any Custom Sample requests, please contact your sales representative. Custom options are subject to approval and will always incur an **ADDITIONAL COST**.

PLEASE SEND THIS FORM TO YOUR SALES REPRESENTATIVE.

Sample Support Program

U.S. TRADE ACCOUNTS | OCTOBER 2026

Handcrafted samples. Practical support for your business.

Our finish samples are handcrafted and hand-painted, bringing the artistry of GLASSISIMO into your studio or showroom. We help fund sample collections for your studio or showroom as your furniture purchases grow.

1. Collections for your studio or showroom

Collection	Contents	Price
Favorites Kit	8 ART glass samples; 9 STUDIO glass samples; 2 melamines; 8 wood samples; 7 metal samples.	\$240 USD
Full Sample Kit	27 ART glass samples; 27 STUDIO glass samples; 4 melamines; 8 wood samples; 7 metal samples.	\$700 USD

Individual standard glass samples: ART \$15 USD each / STUDIO \$10 USD each. Collection contents reflect the current assortment and may change with finish availability.

2. Kit delivery with furniture orders

Favorites and Full Sample Kits ship only with furniture orders, with no additional sample freight charge. Kits follow the furniture order shipping schedule. Request inclusion before the order is packed; sample availability must be confirmed.

Urgent individual samples - outside the kit program

For urgent finish selections, a separate air shipment is available for **up to 4 STUDIO samples or up to 2 ART samples per shipment**. This service is limited to individual glass samples; kits cannot be shipped by air.

Urgent shipment option	Sample price	Air freight
Up to 4 STUDIO samples	\$10 USD each	\$50 USD per shipment
Up to 2 ART samples	\$15 USD each	\$50 USD per shipment

Total charge: \$50 USD air freight plus the individual sample prices. For example, 4 STUDIO samples total \$90 USD; 2 ART samples total \$80 USD. Urgent individual samples and their freight are outside the Sample Support Program and do not qualify for the 5% support or recovery credit. Dispatch timing is confirmed based on availability.

How sample support works

3. Immediate support on your first furniture order

When you purchase a sample kit with your first qualifying furniture order, GLASSISIMO applies **5% of the net furniture order value immediately toward the kit price**, up to that price. You pay only the difference. This support is shown on your invoice. It cannot exceed the kit price or be exchanged for cash.

4. Recover the balance with one credit

If you paid a remaining kit balance, you may recover it through **one merchandise credit** once **5% of additional qualifying net furniture purchases** covers that balance. These additional orders must be placed and the credit requested within **12 months of the kit purchase date**. Submit your kit invoice and relevant order numbers. Glassisimo verifies eligibility at the time of your request. No automatic or partial recovery credits are issued. Orders used for the initial support cannot be counted again.

Collection	Kit price	Total purchases for full sample support
Favorites Kit	\$240 USD	\$4,800 USD
Full Sample Kit	\$700 USD	\$14,000 USD

Example: A \$5,000 initial furniture order provides \$250 toward a \$700 Full Sample Kit. You pay \$450 for the kit. Once you accumulate \$9,000 in additional qualifying furniture orders within 12 months, request one \$450 merchandise credit.

Established accounts

Existing accounts may request initial sample support based on unused qualifying purchases during the preceding 12 months. The same 5% calculation applies. Any kit balance paid may be recovered through one credit based on additional purchases, under the terms above. Purchases cannot be used for more than one sample benefit.

5. Clear terms for every account

Qualifying purchases. Net furniture merchandise after discounts, excluding freight, taxes, samples, and canceled or returned items. Only confirmed orders with the required deposit received qualify.

Account limit. One collection per trade account, with combined initial support and recovery credit capped at the actual collection price and no more than \$700 USD in a 12-month program period. A Favorites-to-Full upgrade counts toward the same limit; it does not create a second allowance. The upgrade price is quoted separately.

Credit requests. Customers submit their request and supporting invoice and order numbers before the 12-month deadline. Glassisimo reviews accumulated purchases at that time. Approved credits apply to an outstanding furniture balance or a subsequent furniture invoice and are not transferable. No recovery credit is issued if the purchase threshold is not reached within the period. Cancellations and returns reduce qualifying purchases and may require a credit adjustment.

Additional support. Duplicate collections, additional locations, replacements, and custom finishes are quoted separately. Any exception must be approved in writing before samples are provided.
